

2020 USIMLT Nationals  
March 6-8, 2020  
Ben Avery Shooting Facility, Phoenix, Arizona

The United States International Muzzleloading shooters hold their Nationals once a year and we are proud to be associated with the Arizona Western Independent Shoot. You do not have to be a member to compete, nor a US citizen. We have separate awards for muzzleloaders, cartridge, and a new class—Bench Shooters, for those who can no longer get up and down like they used to but still want to compete. Welcome everyone.

Mid-range 10 shots for record, 3 convertible sighters

Long range 15 shots for record, 5 convertible sighters

Once you hit paper, no communication with pits for shot location if you have a miss
